

# IN THE MICHIGAN COURT OF APPEALS

## ORDER

Re: **Clarence King v HSBC Bank USA NA**  
Docket No. **291046**  
L.C. No. **2008-092812-CH**

Christopher M. Murray, Chief Judge Pro Tem, acting under MCR 7.203(F)(1) and 7.216(A)(10), orders:

The claim of appeal is **DISMISSED** for lack of jurisdiction because the February 25, 2009 order was not a final order at the time that the claim was filed. If an appellant files a motion for a new trial, reconsideration, rehearing, or similar postjudgment relief within 21 days of the entry of a final order, the finality of the order is suspended until the trial court denies that motion. An appeal as of right may then be claimed from the final order within 21 days after entry of the order denying the motion. See MCR 7.204(A)(1)(b). A claim of appeal that is filed before the entry of the denial order is a premature claim.
